Welcome back

A huge welcome back to all our families and we particularly would like to welcome our new families to Grace Christian School. We hope and pray that the years we spend together will not only see your children grow in stature, but in skill, knowledge and in their relationship with God.

This year our student population blossoms to 516 and there are more than 70 staff assisting you as parents in the growth of your children.

I look forward to what our Heavenly Father has in store for us all in 2013.

Grace Notices

Welcome to the first edition of our fortnightly Newsletter; Grace Notices.

For those of us new to Grace, these are printed each fortnight on a Friday and capture a snapshot of some of the happenings in our school community.

Grace Notices is also available on our web page.

Congratulations to our Year 12 students

I am often asked about the success of the students in our Senior School programme. Success, of course, means different things to different people. Our measure of success is a student’s achievement in relation to their ability. In simple terms, students’ results should be a reflection of their personal best.

Earlier this year, I was very happy to hear the squeals of excitement as Year 12 students called to let me know of the exceptional results they had achieved in their WACE examinations. Exceptional by any standards, but what also pleased me, was to hear of students who had made outstanding personal improvements throughout their final years of schooling in order to achieve their very best.

I believe the celebration should be with all students who have excelled personally. Gifts and talents are from God and our celebration should be an acknowledgement of a student fulfilling the potential they have been blessed with.

2012 WACE results

Of our 2012 leavers, 100% achieved their WACE (Western Australia Certificate of Education) with ATAR scores representing personal bests from the 60’s through to the high 90’s.

We share in their success and pray as they go off to universities, take up apprenticeships or employment, or further their studies locally, that they will look back on the years at Grace with fondness and give God the glory for their success.

One of the other highlights of my position as Principal is catching up with our ex-students and hearing how they are going. Our alumni include missionaries, carpenters, jet-pilots, honour students, child carers, mechanics, nurses, mums & dads, physiotherapists & occupational therapists, chefs, lawyers, managers and teachers; and the list goes on; all serving in different capacities and influencing the circles they live in.

2013 leaving students will be no exception.

**Future directions in WACE**

On January 21, the Minister for Education in WA announced changes for the WACE for 2016. While these changes will not impact the current cohort of Year 10, 11 and 12 students, the change making Stage 2 exams not compulsory from 2014, could have an immediate impact.

Parents should be aware of these changes as they will impact forward planning for the delivery of senior secondary programmes.

Parents of Year 10 students are invited to join with the staff and I over dinner in Term 2, to discuss possible pathways at Grace for the senior years.

**Our annual New Parents BBQ will be held next Thursday, 21st February starting at 5.30pm.**

All families new to the Grace Community in 2013 are invited to attend. By now, you should have received your invitation and returned your RSVP for this function, however, if by chance you have not received an invitation, please let Mrs Marie Waite know as soon as possible.

Please return your RSVP slips urgently to assist us with our catering calculations.

If any of our existing Grace Community family members would like to help out on the evening, please call Mrs Lea McDonald as soon as possible.

**Hugo de Ridder - Principal**

**Leah Gadsby (EA Kindergarten)**

(Cert IV Ed. Support; Cert III Hospitality and Tourism)

Hi, my name is Leah Gadsby and I’m the new EA in Kindergarten.

I have two children, one in Year 2 at Grace, and one due to start Kindy next year.

Prior to being employed at Grace on full-time staff, I worked as a Relief EA at Grace as well as Bunbury Primary School.

There have been many Teachers and Education Assistants at Grace who have influenced and helped me on my journey with the Lord and all He has planned for me. I had always wanted to work at Grace since enrolling my daughter here and have enjoyed becoming part of the school community. I am currently fellowshipping at Calvary Assembly and hope to continue my career at Grace Christian School for the long-term. I feel blessed to have a role in your children’s lives.

**Deb Woods (Kindergarten)**

(Higher Diploma Education)

My name is Deb Woods and I will be working in the Kindy for a half day on a Thursday afternoon and doing Relief teaching when needed.

I have been married to Andrew for 20 years and have 5 children, Daniel, Adam, Sarah, Mellika and Charlotte; all at Grace Christian School. We recently moved to Argyle from Perth, and love the country life!

Our home church is South Bunbury Church of Christ where I teach Sunday School and help run a craft group.

I am so excited about what the Lord has in store for our family at Grace! My husband Andrew will be joining the staff next term as a Secondary Mathematics Teacher.

**Narelle Gibberd (Canteen Manager)**

(Associate Diploma in Dental Therapy. Food retail experience).

Hi, my name is Narelle Gibberd, and I started this year at Grace Christian as the new Canteen Manager.

Prior to coming to Grace, I was Canteen Manager at St. Thomas More Catholic Primary School in Margaret River for 2 years. I also worked in the Café at the Recreation Centre in Margaret River.
I was born in Bunbury and went to school here, moving back from Margaret River where I had lived for 8 years with my son Elias (Year 5 at Grace).

I started attending Grace Christian Church last August when a friend asked me to go along to a service. I was made to feel very welcome and have enjoyed going there ever since.

I have always been interested in food, cooking and nutrition and loved the idea of being able to work in a school again after a time away looking after my son.

Before Elias was born, I was a Dental Therapist with the School Dental Service in both Western Australia and New South Wales.

I am enjoying my time at Grace and look forward to getting to know you all.

The claimant must hold one of the following cards:

- Centrelink Family Health Care card
- Centrelink Pensioner Concession card
- Department of Veterans’ Affairs Pensioner Concession card

Parking, pick up and drop off zones

Thank you to the parents who have noted previous requests and parked well off the access roads. However, there are still a number of cars parking in the “NO STANDING” zones, adding to the risk of our children’s safety.

ACROD parking bays - only valid ACROD card holders are permitted in ACROD parking bays. An exception has been made for the after-school YMCA bus, to assist with safety as they collect and drop off students. At all other times, only valid ACROD card holders permitted in ACROD bays.

Please also assist us by adhering to the following requests.

Morning

- The parking area in front of the Admin building and between the Kindergarten and Pre-primary centres is to be used by parents of Kindergarten – Year 2 children only during drop and pick up times.
- All other children arriving or leaving school should use the “Kiss and Drop” zone adjacent to the auditorium or the parking area to the north of the auditorium.
- Please note children should not be walking through the car park unless attended by an adult.

Afternoon

- At the end of the day, Kindergarten and Pre-Primary students are to be collected from their rooms while students in Years 1 and 2 must remain behind the front fence until parents arrive.
- All other students should wait under the veranda at the “Kiss and Drop” zone beside the auditorium, or in the secondary area until parents arrive.
- Please do not encourage children to move through the car park, as this increases the risk considerably unless they are closely supervised by an adult.

Primary students catching buses must use the pathway behind the Administration building and the cross walk when moving to and from the oval.

Secondary students moving from the secondary area to the oval, must use the access car park zone adjacent to the garden next to rooms S8-S10 or appropriate paths and crosswalk.

Uniform News

- Naming: It is vitally important that every item of clothing or personal property is clearly marked to reduce the amount of lost property the school has to deal with. Please write, iron or sew on FULL NAMES. Initials are not adequate as many children share the same initials.

- Introduction of sandals: (Yrs 1 – 7 only).

Navy leather sandals may be worn by Primary students during Terms 1 & 4 only. Two brands meeting the standard are Airflex and Clarks, which can be sourced from Betts (Airflex) and Gommes (Clarks). Both shops have been notified of the specific sandal style acceptable to Grace Christian School.

Please note: this is NOT a compulsory uniform item. Students may still wear their usual lace up school shoe.

- Hats – are now COMPULSORY for all students (including Secondary students).

A “no-hat, no-play” policy, is now in effect across all three school sectors. This practise follows the already established “no-hat, no-play” policy existing in the Junior and Middle school sectors.

All students are required to wear a hat when outdoors. Secondary students, who remain indoors or under verandah areas, will not be expected to wear a hat during recess and lunch times.

Hat standard - Secondary students may wear either the standard wide-brimmed navy hat with the school logo (available from the uniform shop), or a navy and white cap (small non-school logo acceptable). Junior and Middle school students must wear the navy wide-brimmed hat with school logo (available from the Uniform shop).

- Mrs Hackney (Head of Senior School), has a limited number of acceptable secondary caps for sale @ $5.00 each available from her office.

- Make-up

Year 8 – 10 girls are permitted to wear foundation only however, it must be well blended, match their skin tone and must not be obvious.

Girls in Years 11 &12 may wear subtle make-up including foundation.
• Secondary Girls new white shirts - new style white shirts are available from the uniform shop. The new shirts are designed to be worn untucked.

Students wearing the older style white shirt, ARE STILL required to keep their shirt tucked in as per previous regulations.

Our Online Canteen

We need your help by using the online ordering system

Why are we using online ordering?

Adopting the “Our Online Canteen Service” has been more of a case of necessity, than choice. It does have lots of benefits and has proven to be a convenient system for most parents, but some parents want to use cash for lunch orders which actually makes life very difficult for our canteen staff. Please do not send cash, unless it is an emergency.

• The online ordering system is the only way we can manage the workload effectively.

Please support your kids, the canteen and the very hard working volunteers by learning to use the system now.

One small LOG ON by you is a huge leap for our canteen! www.ouronlinecanteen.com.au

Also, if you are interested in helping out in the Canteen, please give our Canteen Manager, Mrs Narelle Gibberd a call on 97264200.

Updating details for 2013 - Our Online Canteen

Parents are reminded to update their child’s details on Our Online Canteen with URGENCY.

On Friday, 30th November, Mrs Faed’s Piano students went to Bethanie Fields to perform for the residents there.

Students, ranging in ages from 5-16, all performed at least one song each. The audience enjoyed our performance and sang along to many of the songs. At the end, they were very kind and provided us with afternoon tea.

A similar visit is planned for later in 2013.

### Mighty Men’s Conference - Cuballing (1–3 March weekend)

In just 2 weeks is the Mighty Men’s Conference at Cuballing, a fantastic blokes weekend away and an ideal time for Christian men to spend quality time with their son(s) and Christian brothers.

This event was started by Angus Buchan over 10 years ago but for the last few years has been run by a group of Pastors and supporters from around WA. Delegates are welcome from all walks of life and all churches, this is an interdenominational gathering to empower Christian men “just where they are”.

To quote from their website

"We are not wanting to build a movement, or an organisation, rather a network of relationships to encourage men to minister; where they are, with what they have, out of who they are.

This is the real ministry, not the event. Christian men becoming all that God intended them to be, where He has placed them."

The weekend provides a time of intimacy with God, real relationship building with Christian men, awesome praise and worship and testimonies that are just astounding.

Not just head knowledge but time and space for “heart impacting” and “what is real” Life changing stuff...

Registration is essential and further information can be found at: http://mightymensconference.org.au/content.asp?p=121

If you’ve never been to a Mighty Men’s Conference, it’s time you found out what you’ve been missing!

### Road Works

Main Roads’ South West Region is continuing two important projects to improve safety on Australind Bypass for all road users, including pedestrians, from January through to April 2013. These are:

- The second stage of the Australind Bypass/Vittoria Road intersection upgrade.
- The installation of the Preston River Footbridge (part of the Eelup roundabout upgrade).

Traffic Delays Expected – Please Seek Alternative Routes

Please check the on-site signage for advice on speed restrictions (40 or 60km hour maximum) and road impacts (such as lane closures or restricted movements). Where possible, two lanes will remain open on the Australind Bypass during construction.

Local road users have a viable alternative route available during the works following the completion of the project to upgrade the Koombana Drive/Estuary Drive intersection prior to Christmas 2012.
Australind Bypass / Vittoria Road

This project will complement the recent upgrade of the Eelup Roundabout and improve safety and capacity on the stretch of road between the roundabout and the intersection. This stretch of road carries about 40,000 vehicles per day, and local residents in particular have experienced difficulties in entering the Australind Bypass from the Glen Iris area.

The Project involves the creation of a new signalised intersection to allow vehicles leaving Glen Iris to cross the highway and join north bound traffic more easily and more safely. Northbound traffic will remain free flowing (with a signalised right turn only into Vittoria Road). In 2012, work involved construction on the additional lanes required for the new intersection, including a third lane on the south bound carriageway, a north bound acceleration lane and an extension of the existing right turn deceleration lane for northbound traffic.

LOCAL IMPACTS

From February 2013, work on these lanes recommenced to complete the intersection with the installation of sealed lanes, new traffic islands, traffic signals and street lighting.

The major impact will be the closure of the right turn out movement from Vittoria Road into Australind Bypass between 9am and 2:30pm Monday-Friday between mid-February and mid-March. These working hours will avoid local school drop-off and pick-up times.

Other works planned will also impact traffic movements, and some night works will be required. Please follow the on-site signage or visit our website www.mainroads.wa.gov.au (under projects).

Preston River Footbridge

The Preston River Footbridge will provide a safe crossing for pedestrians and cyclists, and is designed to be an entry statement for the city, with its highest point of 38 meters. The project involves civil works, excavation and bridge piling works to support the structure.

The pile driving work commenced on 31 January 2013. A diesel hammer will be used to drive piles into the ground, with four 20-30 minute pile driving sequences each day resulting in noise impacts in nearby areas.

Work will be conducted on the eastern side of the bridge from 31 January to 12 February, and on the western side from 14-19 February, from Monday to Saturday, 7am – 5:30pm.

Additionally, the Footbridge Steel Structure will be installed in late April - early May and will result in reduced traffic flow for approximately one week between Moorland Avenue and Eelup Roundabout heading west into Bunbury and southbound towards Busselton. We apologize in advance for the disruption to the surrounding community.

We thank all road users, port users and in particular businesses for their patience during these works.

Kind regards
