

PARENT GUIDE AND EXPECTATIONS

Year 7 - 12

1

Establish a routine to support your child's learning

Set up a comfortable, quiet, shared space where your child can do online learning work effectively.

2

Have conversations with your child to check in on their progress

Encourage independent learning and problem solving.

3

Check emails regularly

Use Outlook and Direct Messages in SEQTA Engage to check for information from the school, or your child's teacher.

4

Teachers will post learning material or relevant information in SEQTA Learn

Encourage your child to be flexible and adaptable when using technology. Parents can check SEQTA Engage to see what work has been set.

5

If your child is unsure of the what they need to do, they can contact teachers directly

To ensure teachers are responding to student's needs, we ask parents to keep communications to a minimum.
