Future Pathways

at Grace Christian School

OUR VISION AND MISSION

Our vision is to:

be a Christian educational community of excellence, assisting in the development of young people who reflect the attitudes, authority and actions of Christ.

Our mission is to:

- encourage students to have a personal relationship with Jesus Christ;
- develop lives of character based on Biblical principles;
- equip young people to positively influence the wider community;
- develop the highest expression of an individuals' gifts, talents and abilities;
- assist parents in the education of their children;
- pursue excellence in education;
- provide resources, facilities and staff to implement the vision.

SCHOOL PRAYER

Our Father in Heaven, I acknowledge You are the creator of everything in the heavens and on earth. Because of Christ, I will never be the same again. Today I pray that You would strengthen me with power through Your Holy Spirit; that Christ would make His home in my heart; that I would be grounded in Your love; that I would have the power to understand how wide, how long, how high, how deep Your love is, and experience it and know it, and that I would be filled with all the fullness of God. Remove from me the areas of my life in which I limit you; You are able to do exceedingly more than I ask or think. All glory, honour, worship and praise to You forever and ever.

In Jesus Name, Amen

Adapted from Ephesians 3 : 14-21

MESSAGE FROM THE PRINCIPAL

The decision about where your child continues their education is one of the most pivotal choices you'll make. In today's world, young people face a whirlwind of pressures — from social media, peer influences, and academic competition, to the expectations of a fast-changing society. Too often, I hear of students who have moved schools seeking something different, only to realize that the loss of community and individual attention, coupled with the added pressure of new peers, has left them feeling unsupported and overwhelmed.

At Grace Christian School, we understand that it truly takes a village to raise and shape a young person. Our community is built on care, support, and shared values. While many schools focus solely on academic success and career preparation, we take a broader view. Our approach prioritises not only academic achievement, but also the moral, emotional, and spiritual well-being of every student.

We stand in contrast to a culture that prioritises outcomes over individuals. Instead, we focus on fostering personal growth in a nurturing environment where students can develop their God-given gifts and character. Here, your child is not just prepared for a career but equipped for life, growing in faith, wisdom, and resilience.

Grace Christian School is more than a place of learning; it's a community where students are seen, supported, and encouraged to grow into the people God has designed them to be. We believe each child is wonderfully made with a unique purpose, and our aim is to help them discover and cultivate their God-given potential in every aspect of life.

Mr Hugo de Ridder

INTRODUCTION

Thank you for taking the time to consider the future pathways available in the Senior Secondary program at Grace Christian School.

Three (3) very important acronyms you must know.

- 1

WACE – Western Australian Certificate of Education

Students who meet the necessary criteria achieve a certificate, the WACE. This is a desired outcome for all Year 12 students.
- 2

ATAR – Australian Tertiary Admission Rank

An overall achievement ranking of Year 12 students. The ATAR is used by universities to select students for entry into courses of study. E.g. Medicine, Engineering etc.

ATAR subjects are those studied in Year 11 and Year 12 that can be included in determining an ATAR. E.g. ATAR Physics, ATAR Modern History, etc.
- 3

VET – Vocational Education and Training

Vocational qualifications offer training for students aiming to enter the workforce or continue with tertiary studies. E.g. Certificates in Fitness, Health Services, Plumbing, etc.

GRACE CHRISTIAN SCHOOL YEAR 11 & 12 PATHWAYS

There have been many success stories at Grace Christian School from both ATAR and VET graduates. Which training pathway is right for you?

ATAR Pathway: ATAR Courses

Grace Christian School is able to deliver a number of subjects in the classroom through face to face study, subject to student numbers. These include:

- English
- Chemistry
- Geography
- Human Biology
- Math Applications
- Math Methods
- Modern History
- Physics
- Certificate III in Christian Ministry and Theology*

*This qualification can be studied as one of an ATAR student's five courses or as an elective

ATAR SIDE Courses

Other courses can be delivered online through the School of Isolated & Distance Education (SIDE) and are available to study at Grace Christian School. Examples of these subjects are: *(conditions apply)*

- Accounting and Finance
- Applied Information Technology
- Biology
- Computer Science
- Economics
- Health Studies
- Math Specialist
- Media Production and Analysis
- Politics and Law
- Psychology

Students may choose one course of study through SIDE. *(Costs will apply).*

Whilst many students have experienced great success through this method of study, students and parents should discuss this option with the VET Coordinator and Deputy Principal (Secondary) to determine if it is the right option for the individual.

Electives

We believe that students in both the ATAR and Vocational Pathways should be able to engage in courses of study that reflect their interests and passions. The following electives are available to students in Year 11 and 12:

- Cert III in Business
- Cert III in Christian Ministry and Theology
- Cert III in Music
- Cert II in Outdoor Recreation
- Cert III in Sport, Aquatics & Recreation
- Cert III in Visual Art
- Woodwork/Metalwork
- Food Technology
- Private Study

August	<ul style="list-style-type: none">■ GCS Senior Secondary Program offers made■ Acceptance of offers by end of Week 4, Term 3

VET Pathway: General Courses

All students engaged in the VET pathway have the following courses delivered in the classroom through face to face study at Grace Christian School:

- English
- Mathematics
- Careers and Employability

These subjects are chosen to prepare students for the literacy, numeracy and workplace skills required in the world of work. They also fulfill the school based components of the WACE.

Students also engage in

- Bible and Christian Living
- A chosen elective (See page 8)

A students main focus in the VET pathway is their vocational qualifications.

OUR MOTTO

"Blessed is the man who does not walk in the counsel of the wicked,

Or stand in the way of sinners,

Or sit in the seat of mockers.

But his delight is in the law of the Lord,

And on His law he meditates day and night.

He is like a tree planted by streams of water,

Which yields its fruit in season,

And whose leaf does not wither.

Whatever he does prospers."

Psalm 1 : 1-3
